V. Specifications

The Construction/Skilled Trades Career Pathways Outreach shall be targeted towards “Dislocated Workers” as defined by the Workforce & Innovation Opportunity Act of 2014 (hereinafter referred to as “WIOA”). The outreach can be available for other target populations but the focus should be “Dislocated Workers.”

“Dislocated Workers” are defined by WIOA as:

1. An individual who was terminated, laid off, or received a notice of termination or layoff; and Is determined unlikely to return to previous industry or occupations, and either one of the following: is eligible for or has exhausted entitlement to unemployment compensation or is not eligible for unemployment compensation but can show attachment to the workforce of sufficient duration.
2. An individual who was terminated, laid off, or received a notice of layoff from employment at a plant, facility, or enterprise as a result of: permanent closure or substantial layoff; or an individual employed at a facility at which the employer has made a general announcement that such facility will close within 180 days.
3. Was self-employed (including employment as a farmer, rancher or a fisherman) but is unemployed as result of general economic conditions in the community in which the individual resides or because of a natural disaster.
4. An individual who was dependent on the income of another family member and is no longer supported by the income of that family member; or is the dependent spouse of a member of the armed forces on active duty and whose family income is significantly reduced because of a deployment, a call or order to active duty, or service connected death or disability of the service member; and is unemployed or underemployed and is experiencing difficulty in obtaining or upgrading employment.
5. A non-retiree military service member who was discharged or released from service under conditions other than dishonorable, or has received a notice of military separation.
6. The spouse of a member of the armed forces on active duty, and who has experienced the loss of employment as a direct result of relocation to accommodate a permanent change in duty station of such member; or the spouse of a member of the armed forces on active duty and who is unemployed or underemployed and is experiencing difficulty in obtaining or upgrading employment.
7. In addition to the federal definitions of dislocated worker, an individual who has been laid off and is currently employed in a stop gap/temporary/or part-time position that is not earning a self-sufficient wage and is continuing to seek full time employment can be considered a dislocated worker.
8. In addition to the federal definitions of dislocated worker, an individual who has been unemployed for 13 consecutive weeks and is currently unemployed and seeking full time work can be considered a dislocated worker.

The Local Area which comprises Buncombe, Henderson, Madison, and Transylvania Counties has developed, with employer leadership and direction, draft Construction/Skilled Trades Career Pathways. These draft pathways are incorporated by reference into this Request for Proposals.

The Mountain Area Workforce Development Board is seeking proposals to reach “Dislocated Workers” to encourage them to consider a career in Construction/Skilled Trades in our Local Area. The outreach materials that should be considered in proposals include the following:

1. Brochure handout: These materials which describe the Construction/Skilled Trades Career Pathways in the Local Area, the Local Area refers to Buncombe, Henderson, Madison, and Transylvania Counties, will be used at career centers, human service agencies, job fairs, community colleges, universities, and other venues to reach Dislocated Workers. The brochure should be designed consistent with the existing “Mountain Area Careers” brochures for the Advanced Manufacturing, Healthcare and Hospitality & Tourism sector.
2. Videos: Development of short videos, between one minute and 90 seconds in length, which can include virtual job shadowing, worker testimonials, overview of Construction/Skilled Trades employers in the Local Area, which illustrate the Construction/Skilled Trades Career Pathways in the Local Area.
3. Website: Development of content for the existing “Mountain Area Careers” website that will demonstrate the Construction/Skilled Trades Career Pathways in the Local Area. The website will be integrated into the existing “Mountain Area Careers” website which is designed in a Word Press format. The website should be capable of being integrated with other sector career pathways in the Local Area so dislocated workers can find all sector career pathways on one platform which is “Mountain Area Careers.” Website for “Mountain Area Careers” can be accessed at www.MountainAreaCareers.org or www.MountainAreaCareers.com.
4. Construction/Skilled Trades Career Pathways brand – Developing a proven message to help Dislocated Workers better understand the Construction/Skilled Trades Career Pathways available to them in the Local Area. Said brand shall be consistent with the “Mountain Area Careers” brand which will integrate Construction/Skilled Trades with Advanced Manufacturing, Healthcare and Hospitality & Tourism.
5. Key Messaging components include:
 - Construction/Skilled Trades employers offer careers that make a difference in our community and world
 - Upward mobility is available and attainable for employees in the Construction/Skilled Trades industry
 - Construction/Skilled Trades employers pay very well and job security is better or comparable to most other industries
6. Deliverables:
 - Ten Videos: Ten videos between one minute and 90 seconds along with photography featuring ten healthcare employees in the Local Area. The ten videos should include multiple construction/skilled trades employers and to the extent possible shall include employers from all four counties in the Local Area.
 - Tri-Fold Brochure (1000 copies) design consistent in design with the “Mountain Area Careers” brochures for Advanced Manufacturing, Healthcare and Hospitality & Tourism. Said brochure will incorporate all of the region’s career pathways.
 - Website for “Mountain Area Careers” (which can be accessed at www.MountainAreaCareers.org or www.MountainAreaCareers.com) shall integrate the “Earn and Learn” opportunities available for Construction/Skilled Trades careers in the Local Area including videos, photography and written testimonials similar to

existing “Mountain Area Careers” outreach for the Advanced Manufacturing, Healthcare and Hospitality & Tourism sectors.

Nothing in this RFP shall be considered as an offer to effect a contractual agreement. The Mountain Area Workforce Development Board reserves the right to reject all proposals. Proposals will be evaluated based on the following criteria: Effectiveness of messaging, quality of outreach materials, cost, quantity of outreach materials, innovative brand messaging based on data and Dislocated Worker feedback, including but not limited to focus groups and scientifically based surveys, ability of messaging to reach a broad audience of different demographic groups in the Local Area who could become Dislocated Workers, and targeted messaging to Dislocated Workers based on generational values.

The bid can select from or serve all of the deliverables listed above and must incorporate a description of the process of creative development and the asset collection. Costs to obtain assets, travel and other ancillary expenses must be included in the final bid proposal. A contingency expense line item will not be accepted.

The Mountain Area Workforce Development Board projects a budget of up to \$50,000.00 for Construction/Skilled Trades Career Pathways outreach initiatives. The projected budget is based on available funding and Board priorities to effectively engage in outreach to Dislocated Workers. This RFP does not commit the Board for any financial obligation and for any proposal that is selected, the amount of funding is not fixed and is within the entire and solely unreviewable discretion of the Board.
